**Did You Know?**

Holland America Line spends millions of dollars every year to reduce fuel consumption by upgrading our systems. For example, most of our ships used to run two engines while docked in port to generate the needed electricity. Efficiencies we have achieved now enable us to meet our in port requirements with only one engine.

## On Deck For a Cause

The Holland America Line Foundation invites you to join us in the fight against cancer by participating in *On Deck for a Cause™*, a 5K non-competitive walk around the ship's deck that will raise money for six international cancer organizations. Sign up at the Front Office to receive your free t-shirt and wristband.

The walk will be held on October 17.
