GRAND ACTIVITIES

Dear Guest,

We are happy to welcome you home for this exciting Grand World Voyage! Throughout each day at sea we are pleased to feature our newly created Grand Activities program.

At its core it is intended to engage guests in a limited range of competitive activities.

The range of activities will be indicated in the When & Where for you to participate in.

At the conclusion of each applicable activity **only one single prize voucher** will be awarded per participating guest.

During the voyage these collected prize vouchers are redeemable exclusively on board, solely for Amazon Gift Cards valid on Amazon.com.

We hope you will join your fellow guests in these fun activities for your additional physical, mental or social stimulation!

With active greetings,

Henk Mensink
Hotel Director

Please note:

Prize vouchers and Amazon gift cards awarded on board are not redeemable for cash and cannot be credited to on-board accounts, nor can they be transferred for value or any other remuneration.
