Tender Process

Guests wishing to go ashore today will do so by tenders. The duration of the tender ride is approximately 15 minutes. We will feature combined seating per tender to best offer tender services to independent guests (either with a tender ticket or through their priority tender service) and to those guests on *Holland America Line Shore Excursions*. Access to the tender area on A Deck forward will only be via the forward staircase from Deck 1 to A Deck. Please note that only one of the forward elevators will be in operation to A Deck, solely to transport guests with mobility assistance needs. Access from Deck 1 to A Deck will be supervised by our staff for safety reasons, and, the tender process is subject to change based on local conditions.

Mobility Assistance

Guests requiring mobility assistance (canes, walkers, wheelchairs, or scooters) are advised that today's tender operation both alongside the ship and shore side may present challenges. Please note that you must be able to walk under your own power to access the tenders through A Deck forward. Mobility devices, except those which can be lifted by a single person, will not be facilitated nor embarked at that tender gangway for logistical reasons, as well as for the safety of those involved providing that assistance. Separate advance inquiries will need to be made for those guests via the Front Office.

Guests Booked On a Morning HAL Shore Excursion

Please follow the information on your Shore Excursions ticket(s). Enter the Queen's Lounge, 4, on the starboard side and remain in the lounge until your tour is called to depart.

Guests Not Booked On a Morning HAL Shore Excursion

Tender tickets will be available starting at 8:00am. Once you are completely ready to go ashore, proceed to the entrance of the Wajang Theater, 4, to collect a tender ticket from one of the Location Team members. Please remain in public areas until your tender ticket number has been called via the PA system. Do not approach the gangway area until your tender ticket has been called.

President's Club, 5 and 4 star Mariner, Pinnacle and Neptune Suite Guests Not Booked on a HAL Shore Excursion

If you plan to go ashore independently before "open tendering", you are not required to collect a tender ticket and may proceed directly to the forward gangway. When you reach that area, simply identify yourself by showing your guest ID to verify your status and you will be directed to the soonest available tender.
