### Tendering Procedures

Guests wishing to go ashore today will do so by tenders. The duration of the tender ride is approximately 20 minutes. Due to logistical limitations and liability concerns, we will not be able to feature priority tender services via the aft tender platform, yet instead, will combine all tender services via the forward platform only. However, in order to best offer tender services to independent guests (either with a tender ticket or through their priority tender service) we will feature combined seating per tender. Access to the tender area on A Deck forward will only be via the forward staircase from Deck 1 to A Deck. One single forward operated elevator will only transport guests with mobility assistance needs between Deck 1 and A Deck. Please follow the instructions of the crew at all times, use caution and watch your step while boarding the tenders. Accept the sailor's assistance while stepping on or off the tender, and hold on to a handrail while locating your seat. Once aboard the tender please remain seated until it has been secured to the platform and instructions have been given to proceed with disembarking the tender. Kindly note that smoking is not permitted at any time in the tenders, and that the total tender capacity is strictly dictated by the weather circumstances.

#### Mobility Assistance

Guests requiring mobility assistance (canes, walkers, wheel chairs, or scooters) are advised that today's tender operation both alongside the ship and shore side may present challenges. Please note that you must be able to walk under your own power to access the tenders. Mobility devices, except those which can be lifted by a single person, will not be allowed ashore for logistical reasons, as well as for the safety of those involved providing assistance. Separate inquires will need to be made for those guests via the Front Office

#### Tender Tickets

Tender tickets will be available starting at 7:00am. Once you are completely ready to go ashore, proceed to the entrance of the Wajang Theater, 4 to collect a tender ticket from one of the Location Team Members. Please remain in public areas until your tender ticket number has been called via the PA system. Do not approach the gangway area until your tender ticket number has been called.

#### President's Club Guests, 5 and 4 star Mariner Guests, Pinnacle and Neptune Suite Guests (Deck 7)

If you plan to go ashore independently, before open tendering, you are not required to collect a tender ticket and may proceed directly to the forward gangway by way of Deck 1 forward upon clearance there, until the open tender announcement. When you reach the entrance, simply identify yourself by showing your guest ID and you will be directed to the soonest available tender. (Note: Access from Deck 1 to A deck will be supervised by our staff for safety reasons, and, the tender priority program operation is subject to change based on local conditions.)
