Temperature: 24°C / 75°F

Sunrise / Sunset: 5:41am / 6:32pm

This Evening's Dress: Gala

Happy Valentine's Day

SAILING TOWARDS TOWNSVILLE, AUSTRALIA

Bringing the cultures, tastes and unique Holland America Line experiences to life, both on board and off.

Today's highlights include:

Special Presentation and Q&A with Orlando Ashford and Gerald Bernhoft
10:00am - 11:30am

QUEEN'S LOUNGE, 4 & 5

Mariner Appreciation Days continue with a special presentation by Orlando Ashford, President of Holland America Line. Come and learn about the latest news from the company, our ships, and highlights of other upcoming Grand Voyages. Also hear from Gerald Bernhoft, Director of the Mariner Society, on the latest program features and benefits. A question and answer session will follow the presentation and the ship's senior officers will also be on hand to take your questions.

Mariner Appreciation Day

A special Mariner Appreciation Day Cocktail Party and Gala Dinner will be held in honor of our loyal Mariners. During the cocktail party, Holland America Line President Orlando Ashford will recognize crew with over 25 years of service with the company. The cocktail party will be held in the Queen's Lounge for early seating guests at 4:15pm and main seating guests at 6:45pm. If you would like to have your picture taken with Mr. Ashford, Mr. Kruse, and Mr. Donald please use the starboard side entrance on deck 4.

A Toast To You

To further celebrate the Mariner Appreciation Days and specifically tonight's Gala Dinner, please enjoy wine or soft drinks during dinner with compliments of Orlando Ashford.

Exhaust Gas Cleaning Systems

Holland America Line has a long tradition of making environmental sustainability and clean technology a corporate priority. As part of these continuous efforts ms Amsterdam's Diesel Engines are equipped with sea water scrubbers, cutting edge technology which uses the natural chemistry of sea water to remove virtually all sulphur oxide and significantly reduce particulate matter emissions. To ensure maximum efficiency, these systems require a weekly cleaning cycle, this is expected to take place from 10:00 pm (2/13) until 5:00 am (2/14) during which time soot particles may be emitted through the funnels. Out of an abundance in safety precautions during this time, we do not recommend guest's presence outside on Lido-, Sports- and Sky Decks aft.
