Important Singapore Customs Notice

Singapore Customs regulations prohibits the following to be brought ashore: chewing gum, chewing tobacco or imitation tobacco products, pistol or revolver shaped cigarette lighters, controlled drugs or psychotropic substances, endangered species and their by-products, firecrackers, obscene articles or videos, and reproductions of copyrighted materials. Offenders are subject to severe fines and/or incarceration.

Did you know?

Holland America Line spends millions of dollars every year to reduce fuel consumption by upgrading our systems. For example, most of our ships used to run two engines while docked in port to generate the needed electricity. Efficiencies we have achieved now enable us to meet our in port requirements with only one engine.

Going Ashore

When going ashore please have your guest identification card (room key) ready to scan into the security system when leaving and re-boarding the vessel. You will also need to carry your passport with you (photocopies are not accepted). Keep the white Singapore landing card in your passport to show to Security ashore. Please note that the Singapore white landing card must stay in your passport at all times. Passports must be turned in at the gangway upon your final return to the vessel tomorrow, March 15, between 4:00pm - 8:00pm or at the Front Office, 4, for endorsement by the Immigration Officials.

Singapore Sling

The Singapore Sling is a wonderful drinks that we probably have all heard of, but perhaps have never had. It was developed by Ngiam Tong Boon for Raffles Hotel in Singapore in the early 1900s. It is a smooth, slow, sweet cocktail with a complex flavor. That said, this is one of those great cocktails made of *Gin, Cherry Heering, Benedictine, a dash of Lime Juice and Grenadine* that few people can agree on how to make or what exactly goes into it.
