Stay Healthy & Travel Well - Wash Your Hands:

Out of gastrointestinal illness concerns, we must emphasize that it is CRITICAL that all on board regularly and thoroughly wash their hands with soap and warm water. Rub all surfaces of lathered hands vigorously for at least 20 seconds before rinsing. Alternatively, use the mini bottles of Purell frequently during your travels ashore. Apply enough product to thoroughly wet your hands, then rub your hands together briskly until dry. Replacement bottles are available via the Front Office. And, always avoid hand-to-mouth contact as added health precaution. For guest using the gym we ask that you use the hand towels provided to wipe down the equipment before and after use.
