Important Information

Please be aware that, especially on public transport and near and around Las Ramblas and La Sagrada Familia, there have been cases of PICK POCKETING.

Gentlemen, do not carry wallets in your back pockets, and ladies, have your handbags zipped and close to you. These pick pockets are not violent and you are not in danger, but they are extremely good at what they do.

Going Ashore

When going ashore please have your guest identification card (room key) ready to scan into the security system when leaving and re-boarding the vessel. All non FU guests will also need to carry your passport with you (photocopies are not accepted). You may pick up your passports from the Front Office. Keep your passport to show to Security ashore. Passports must be turned in at the gangway upon your final return to the vessel at the gangway or at the front office, deck 4.
