Suez Canal Commentary

Throughout our day transiting the Suez Canal, live commentary by Location Guide Barbara can be heard in the Crow's Nest, 9, on all outer decks and by turning to Channel 41 on your stateroom television.

Access to the Bow

Weather permitting, we will provide access to the forward observation deck during daylight hours. To access the bow, please use the Lower Promenade doors on Deck 3 forward.

The Heat Is On

As you enjoy the warmth of the Suez Canal today, a few simple precautions will keep you from getting too much of a good thing:

- *Wear light clothing with a hat, sunglasses and sunscreen.
- *Drink plenty of fluids, even if you are not thirsty.
- *Limit exercise and time outdoors in the heat of the midday sun.
- *Avoid seasickness medication. It can reduce heat tolerance.

Did you know?

Holland America Line was a pioneer in onboard wastewater purification systems. On this ship, the waste water discharged into the sea is treated to a higher quality than the level achieved by most shore-side treatment systems.
