WELCOME TO HAIFA (TEL AVIV/ NAZARETH), ISRAEL

Bringing the cultures, tastes and unique Holland America Line experiences to life, both on board and off.

Today's highlights include:

Mandatory Israel Immigration Inspection

Please refer to the Israel Immigration Procedures letter delivered to your stateroom. The inspection will commence after arrival at approximately 7:15am. Guests will be called over the public address system based on the number on the letter. *Please be advised that numbers may be called out of sequence based on immigration officials' requirements.* Please do not go to the Inspection until your number is called. Once called, proceed to the La Fontaine Dining Room, 5 (via the Explorations Café). You are required to bring your ship's guest identification card and the immigration letter delivered to your stateroom. Your passport and landing permit will be handed to you at the entrance of the Dining Room, 5. During the inspection, the officials will stamp only your landing permit but they will not stamp your passport. No one will be allowed to go ashore without their landing permit (endorsed by Immigration) and passport. Please be advised that you will not be able to check-in for your shore excursion, nor be allowed to proceed ashore, before having cleared the immigration procedures. Keep your passport and landing permit with you at all times during our stay in both Haifa and Ashdod. Upon your return to the ship on Sunday in Ashdod, your landing permit and passport will be recollected from you on the gangway, or you may return it to the Front Office, 4. All guests must be seen by the immigration officials regardless if you plan on going ashore or not in either Haifa or Ashdod.

Crew Drill Today

In accordance with the International regulations of Safety of Life at Sea, an abandon ship drill will be held at 10:30am on Lower Promenade, Deck 3. Guests interested in learning more about this drill should ask the officer available on deck after the drill.
