TENDER OPERATION

Today we will use the ship's tenders to ferry guests ashore. Tender tickets are required to access the tenders and will be issued in the Lido Dome, 8, limited to 2 tickets per guest upon request. Cutting in line or saving of spaces for any more persons other than one's self is not allowed and no tender tickets will be issued to anyone doing so. Once you have collected a tender ticket, please feel free to wait in any public area until your tender ticket number is called. Access to the tender area on A Deck forward will only be via the forward staircase from Deck 1 to A Deck.

Guests requiring mobility assistance (using a cane, walker, wheelchair, or scooter) are advised that today's tender operation both alongside the ship and shore side may present challenges. Mobility devices, except those which can be lifted by a single person, will not be allowed ashore for the safety of those involved providing assistance.

If you are on a Holland America Line Shore Excursion, please refer to your excursion ticket for your meeting time and location from where you will be sent out to the tender platform.

We regret to advise you that we can no longer feature Priority Tender Service for 4* and 5* Mariners due to the sheer number of more than 800 guests potentially eligible for this service. This number no longer permits our operation to provide safe traffic flows without restrictions and poses a potential safety hazard if permitted. We apologize for the inconvenience.
