Re: Activity Venues

Dear Guest,

This year, we have noticed that more guests than ever before are participating in the many activities and events offered on board. The feedback received is overwhelmingly positive and we are grateful for your suggestions when perfections are needed.

As you know, most of the venues used for these activities and events have a dual function and, often times, are being used for another purpose prior to the start of the next event. However, it has been brought to our attention that some of our guests preoccupy a venue early in their best intended enthusiastic anticipation of the next event. Unfortunately, that does not allow the prior event to fully blossom to the extent desired. Going forward, we ask that you please refrain from doing so until the scheduled start time of the event of your interest.

Thank you for your understanding and observance.
