HONG KONG CLEARANCE

Due to stringent arrival procedures at Kai Tak terminal, the ship's clearance process is expected to approximately take one hour from our official published arrival time before general clearance may be given.

Please do not come to the gangway area prior to this, as you will obstruct this process and delay clearance consequently. Unauthorized persons at the gangway area will be removed from that area by ships management. We will keep you informed via the PA system when the "all clear" has been received.

Thank you for your compliance in the interim.

SHUTTLE BUS INFORMATION

Today we offer a complimentary shuttle service, taking guests from the ship to the Peninsula Hotel and back. The shuttle ride is approximately 30 minutes each way depending on traffic.

Shuttle service will start from the ship's location at 9:00am, with its final return from Peninsula Hotel at 8:00pm. Please note that a deviation from the shuttle bus destination may occur without warning depending on local traffic or route information from the driver.
