## BANJUL ARRIVAL TIME

Please be advised that our arrival to Banjul is now expected to be at approximately 9:00am due to local tidal "window" requirements. In addition, the unpredictability of the clearance process in this part of the world is an unknown factor; we therefore estimate that you should expect to get ashore around 10:00am. To compensate for this possible delay, our departure will be moved to 7:00pm with all aboard at 6:30pm.
