## CAPE TOWN CLEARANCE

Please refer to the Immigration Procedures letter delivered to your stateroom concerning this mandatory immigration inspection that will take place this morning.

**All guests must be seen individually in the terminal building regardless of whether or not you plan to go ashore.** The inspection will commence shortly after we have docked, at approximately 8:30am. Guests will be called over the public address system based on the number on the letter delivered to your stateroom. **Do not go to the gangway until your number is called.** You are required to bring your Guest Identification Card and Passport. Following the immigration inspection, please note that you do not need to carry your passport when going ashore. We recommend to keep your passport safely stored on board instead. Once you have been seen by the Immigration Officials, you will be free to proceed onwards. You do not have to return back on board, though you will be able to do so if you choose.

## SHUTTLE BUS INFORMATION

Today we offer a complimentary shuttle service taking guests from the ship to the V & A Waterfront and back. The shuttle ride is approximately 15 minutes each way depending on traffic. Shuttle service will start from the ship's location at 9:00am, with its final return from the V & A Waterfront at 10:30pm. Please note that a deviation from the shuttle bus destination may occur without warning depending on local traffic or route information from the driver.
