## SAN JUAN CLEARANCE

Please refer to the Immigration Procedures letter delivered to your stateroom concerning this mandatory immigration inspection that will take place this morning. **All guests must be seen individually in the terminal building regardless of whether or not you plan to go ashore.** The inspection will commence shortly after we have docked, at approximately 7:00am. Guests will be called over the public address system based on the number on the letter delivered to your stateroom. **Do not go to the gangway until your number is called.** You are required to bring your Guest Identification Card and Passport.

**PLEASE NOTE:** You will **not** be allowed to return back on board until all guests have gone through the immigration process shore side.

There is a waiting area in the terminal that you can make use of in the interim. Once you have been seen by the Immigration Officials, you will be free to proceed shore side and enjoy your day in San Juan.
