

Islas Ballestas & Paracas Candelabro by Zodiac Peru - November 21st

Join the Ventures team to explore Islas Ballestas. The Islands are an important sanctuary for marine fauna, many seabirds such as Guanay Cormorants, Peruvian Pelicans, Boobies, Inca Terns, and several more species gather in the rocky shores; if we are fortunate we might even find Humboldt penguins, Fur Seals and South American Sea Lions. **90 minute Zodiac Cruise \$199 p.p.**
