## *Introducing Seabourn's Entertainment*

### *Partner Award-Winning Lyricist Sir Tim Rice*

Tim Rice has worked in music, theatre and films since 1965 when he met Andrew Lloyd Webber, a fellow struggling songwriter. Rather than pursue Tim's ambitions to write rock or pop songs they turned their attention to Andrew's obsession – musical theatre. Their next three works together were much more successful – Joseph and the Amazing Technicolor Dreamcoat, Jesus Christ Superstar and Evita. Tim has since worked with other distinguished popular composers such as Elton John (The Lion King, Aida), Alan Menken (Aladdin, King David, Beauty and the Beast), Bjorn Ulvaeus and Benny Andersson (Chess) and most recently, Stuart Brayson (From Here to Eternity). In 2017, with Alan Menken, he wrote three new songs for the Disney re-make of Beauty and the Beast. He is currently working with Sir Elton on new material for the new film interpretation of The Lion King. On Easter Sunday 2018 NBC broadcast a live production of Jesus Christ Superstar, starring John Legend, Sara Bareilles, Brandon Victor Dixon and Alice Cooper. In 2018 there were two major new productions of Chess, one at the Kennedy Centre, Washington DC, and the other at the Coliseum, London. He has won several awards including 3 Oscars, 3 Tonys, 3 Golden Globes and 5 Grammys.
