### TRAVELERS TIPS

*Pick pockets and 'con' artists are found all around the world. A little caution goes a long way. E.g. Purses or backpacks lightly slung over a shoulder are an easy target. If you have a backpack with multiple zippered pockets, consider wearing it in the front if you are in large crowds of people. Flashy and/or dangling jewelry is a tempting target for the "snatch and run" thief. If you carry a wallet in your pants pocket, a rubber band wrapped around your wallet will provide resistance against the material and you'll know if someone is trying to lift it out of your pocket. And, check US\$ change given back to you for validity as fake bills are in circulation. Awareness is the best tool!*
