**GRAND WORLD
VOYAGE**
Amsterdam

Re: Announcement Charitable Cause & Silent Auction

Dear Guest,

As is customary on the Grand World Voyage, we will once again support a charitable cause through the proceeds of a silent auction with optional other means added.

Well ahead of the efforts to come we are proud to announce that this voyage's efforts will be channeled to benefit the Sheldrick Wildlife Trust in Kenya (www.sheldrickwildlifetrust.org).

This trust is one of East Africa's oldest and pioneering conservation organizations that has worked for the protection and conservation of wildlife and wild habitats in Kenya for over 40 years. The trust takes a 360-degree approach to conservation, operating nine programs that work in tandem across the country, including a great community outreach program which aims to improve livelihoods and engages communities living alongside wildlife. Be on the lookout for more information to come later this voyage!

Sincerest regards,

Captain Jonathan Mercer
and Hotel Director Henk Mensink
