## TRAVELERS TIPS

*Pick pockets and 'con' artists are found all around the world. A little caution goes a long way.*

*Purses or backpacks lightly slung over a shoulder are an easy target. If you have a backpack with multiple zippered pockets, consider wearing it in the front if you are in large crowds of people. Flashy and/or dangling jewelry is a tempting target for the "snatch & run" thief. If you carry a wallet in your pants pocket, a rubber band wrapped around your wallet will provide resistance against the material and you'll know if someone is trying to lift it out of your pocket. And, check US\$ change given back to you for validity as fake bills are in circulation. Awareness is the best tool!*

## SHUTTLE BUS INFORMATION

*Due to port regulations forbidding pedestrian traffic in the port area, a complimentary shuttle service will take guests from the ship to the port entrance. Please be advised that due to the favorable distance from the dock location of Amsterdam to city of San Antonio, shuttle buses are not offered today.*
