Quepos, Costa Rica

Tourist Information

Many restaurants, cafes, bakeries, and bars specializing in seafood and other local dishes. Some places charge 10% for service.

2 types of buses: direct & collective
Direct straight to Manuel Antonio Park
Collective makes stops
USUALLY leaves every 30 minutes
Buses MAY take US dollars

2 pharmacy locations: in front of bus station & east of the Bank of Costa Rica

No malaria mosquitoes but Dengue might be a problem in the rainy season but not in January.

Ranked #1 for safety in Central America
Visitors are required to carry ID; copy of bio data page
Beware of alcoholic drinks containing methanol
Illegal to take photos of official buildings

5.5 miles of casual forest trails
Dense Rain forest / animals
Mangroves
Beaches
Viewpoints

7am - 3pm Tuesday thru Sunday
Current entrance fee: \$18.08 USD
Online purchase : parques.coopealianza.fi.cr
Only 600 people allowed in at one time

Bus drop off is at the roundabout near the beach. Take beach trail to park entrance, about a 5 minute walk. If you drive, there are 2 parking lots within walking distance of the entrance.

Restroom at entrance and at 3 different points in the park. Cafeteria has lockers. No snacks allowed because of monkeys.

If you hire a guide at the entrance, ask for guide certification as there are many scammers.

With only 1 day in park, a tour was recommended by many of the websites.

HAL Tour: Manuel Antonio National Park, 4.25 hours \$109.95

- * Tropical Forest Aerial Tram 7 hrs \$139.95

Private Tours can be arranged from any of the major companies.

A lush, green forest scene with a thick canopy of trees. The atmosphere is misty and ethereal, with soft light filtering through the leaves. Large, gnarled tree branches are prominent in the foreground, framing the view. The background shows a dense forest extending into the distance, partially obscured by a light mist.
