IMPORTANT NOTIFICATION

As you may be aware, Brazil recently announced new visa requirements for passport holders from the United States, Canada, Australia and Japan. For guests from Japan, a reciprocal agreement has been reached and this visa will not be required. For U.S., Canadian, and Australian guests, the implementation has been delayed until January 1, 2024. As a result, a Brazil visa will be required for these nationalities for this voyage. While Brazil has not yet updated their website to reflect the updated implementation date, we have been assured by contacts in the ministry of the date change. It will be an online eVisa application and will not require a consulate visit. If you are unsure whether your nationality requires a traditional Brazilian visa, please check with your local consulate.

We will be in touch with additional information closer to your voyage once the procedures to apply for the visa have been finalized and the online application is available from Brazil.
