VISA NOTIFICATION

As communicated previously, US, Canadian and Australian guests require a Brazil visa for this voyage. This visa is required to be obtained in advance of the cruise and is required whether guests go ashore or remain on board in Brazil. The eVisa application is now available at <https://brazil.vfsevisa.com>.

The cost is approximately 80.90 USD per applicant. During the application process guests will be requested to upload a copy of their passport page, a 2x2 photograph, financial information (such as a banking or credit card statement) and round-trip flight itinerary. Guests arriving to Brazil via ship should upload their cruise booking confirmation where flight details are requested.

Current processing times are approximately 5 days but we encourage guests to apply now. Guests must bring a printed copy or screen shot of the visa to the cruise check-in as WiFi may not be available at the cruise terminal. Guests who require a visa and do not present it at cruise check-in may be denied boarding.
