Guam Customs Inspection

All guests are required to attend this morning's customs inspection, regardless of whether you are planning to go ashore or not. Please refer to the letter that was sent to your stateroom for further information.

Going Ashore in Guam

A complimentary shuttle service will take you from the ship to the Dusit Thani Guam Resort as pedestrian traffic is not allowed in the port area. Security checkpoints may be present within the port facility. Please comply with any and all instructions given by both port and ship security personnel and be ready to present your stateroom keycard and a government issued photo ID. The port shuttle service has limited accessibility for wheelchair or scooter users as there is no ramp available.
