Immigration Inspection

All guests must undergo face-to-passport inspection by Japanese Immigration officials in the terminal between 12 noon and 3:30p, regardless of whether they plan to go ashore. Guests returning to the vessel from shore before 12 noon are permitted to go ashore again in the afternoon. However, if guests return at or after 12 noon, they will be automatically processed by Japan Immigration and are not allowed to go ashore again. Our Guest Services team will collect the passports in the terminal.
