Full Muster Drill

Today, we will conduct a full-scale guest muster drill, a new safety requirement mandated for periodic implementation.

At 10:00a, an announcement will prompt guests to assemble on deck 3, immediately followed by the activation of the general emergency alarm. Guests will be directed to their assigned muster stations, replicating a real emergency scenario.

Please note that bringing your life jacket is not required for this exercise. During the drill, all guest services will be temporarily suspended until its conclusion. Your cooperation in this vital safety procedure is greatly appreciated.

Braai Dinner

Join us for South Africa's grill-dinner, called Braai with a great variety of meats, boerewors (sausages) and sosaties (skewers of cooked meat).

Pair it with a great glass of wine and "nou gaan ons braai!"
