Earth Day

Going Ashore in Walvis Bay

When going ashore, please remember to carry your passport, and your stateroom keycard.

Port Shuttle Service

Today a complimentary shuttle service will be provided. Shuttles run every 30 minutes beginning at 8:00a with two stops: the Waterfront area and the Dunes Mall. The last shuttle will depart the Dunes Mall at 4:00p.

Please note that a deviation from the shuttle bus destination or its schedule may occur without notice depending on maximized seating capacity, local traffic, or restructured route information. Zuiderdam is not liable for any unforeseen delays or changes.

Departure Immigration Inspection

Please refer to the letter delivered to your stateroom with instructions for the mandatory face to passport immigration inspection today. This inspection is expected to commence at 1:00p in the Stuyvesant Room on deck 3.

All guests are required by local regulations to attend the inspection as part of the ship's departure clearance.

Bernhard Nordkamp Centre

Today we welcome the children of BNC on board Zuiderdam. Based in Windhoek, Namibia, BNC daily offers over 170 children from grades 1-7 with an educational environment for learning English reading, writing and mathematical skills. At BNC the children are provided a safe environment, food, education, sports activities, play time and a lot of positive social interaction. Thanks to many donors, volunteers and sponsors, these kids are also supported with school uniforms, school equipment, clothes, toys, and other basic necessities. We will be presenting BNC with a check totaling 100% of your donations raised during the Silent Charity Auction at their performance in the World Stage at 3:00p (and yes, we want it to be a surprise for all!). There will also be a cash-only drop box available at Guest Services on deck 1, all currencies accepted, as well as at the World Stage, for last minute donations.

Earth Day

Today we celebrate Earth Day, which was first recognized on April 22, 1970. The theme of this year's campaign is Planet vs. Plastic. We fully support the Earth day campaign which is demanding a 60% reduction in the production of plastics by 2040. Take a few moments to think about what you can do to make a positive impact supporting this campaign.
