Going Ashore in Piraeus

The ship will arrive ahead of schedule for immigration clearance of all disembarking guests. In-transit guests will be permitted to go ashore only after local immigration authorities have processed all disembarking guests. Please wait for an official announcement before proceeding to the gangway. When going ashore, please remember to carry your stateroom keycard, and government issued photo ID. If you have a Holland America Line Shore Excursion, please follow the information on your tour ticket located in your Navigator Wallet.

Safety Advisory

As in any city, you should be aware of your surroundings and the people around you. Use discretion when handling cash publicly and separate money for small and large purchases. Never provide personal information to any person you don't know, and take extra care with handbags, cameras and other valuables. Be vigilant in high traffic areas.

Shuttle Service

Today we will provide a complimentary shuttle service to the Municipality Theater. Shuttles run every 30 minutes beginning at 8:00am. The last shuttle will depart from the Municipality Theater at 4:00pm. ADA shuttle facilities are said to not be available. Limited taxis are also available at the pier. To help us accommodate your shuttle needs today, please reserve your seat through the Navigator App or directly on your Stateroom TV.

Please note that a deviation from the shuttle bus destination or its schedule may occur without notice depending on maximized seating capacity, local traffic, or restructured route information. Zuiderdam is not liable for any unforeseen delays or changes.
