Going Ashore

All guests are required to bring their passport when going ashore in Alexandria along with their stateroom keycard. As you disembark today, please ensure your passport is open to the page bearing the Alexandria stamp for inspection by the local immigration officers stationed at the ship's gangway. You will find this stamp towards the last few pages of your passport.

Safety Advisory & Health Information

As in any city, you should be aware of your surroundings and the people around you. Use discretion when handling cash publicly, separate money for small and large purchases. Never provide personal information to any person you don't know, and take extra care with handbags, cameras and other valuables. Be vigilant in high traffic areas, such as crowded markets.

To stay healthy, please wash your hands regularly with soap and water and use the hand sanitizers around the ship. Should you experience any symptoms of respiratory or gastrointestinal illness, please immediately return to your cabin and notify the medical staff by dialing 911.
