## Immigration Inspection

Tunisian Immigration Officials require a face-to-passport inspection for all guests going ashore. This inspection will take place inside the terminal building. No set schedule required as it is a quick, walk-through process.

To ensure a smooth experience, kindly remember to bring the following:

- Your passport
- Completed shore pass that was delivered together with a letter to your stateroom

If you choose to remain onboard during our port of call, you are not required to participate in the immigration inspection.
