Tendering Ashore

Today we will be using tender boats to transport you from ship to shore. Please be advised that tender operations in Easter Island may differ from our usual procedures due to external factors, including prevailing water and weather conditions, which can significantly impact operations. As these conditions are beyond our control, extended waiting times and potential delays should be expected, both when going ashore and when returning to the ship. We kindly ask for your patience and understanding as our teams work diligently to manage the process as safely and efficiently as possible.

For Holland America Shore Excursions, please be at the designated meeting place at the time listed on the ticket in your Navigator wallet. All other guests must request a tender ticket to go ashore. Tickets will be available at 8:00am in Ocean Bar, 5.

Aside from water, no food or drink is allowed to be taken ashore in Chile. When going ashore, please remember to carry your stateroom keycard and a government issued photo ID.

Return Tender Procedures

Upon returning to the ship, all guests are required to collect a return tender ticket at the tender pier ashore. Once the next tender is available, your tender ticket number will be called. Guests will then make their way into the tender in an orderly and safe fashion. This process applies equally to all guests, whether returning from a Holland America Shore Excursion or independently.
